

Corporate Resume

Calgary New Home Construction Division

Professional painting for Calgary's new home construction industry.

Serving Calgary and surrounding communities since 1996. Built to support builders, developers, custom home builders, multi-family projects, and residential construction professionals throughout Southern Alberta.

Built For Builders

- Production homes
- Custom & luxury homes
- Infill developments
- Multi-family projects

Core Strengths

- Scheduling coordination
- Scalable crews
- Deficiency touch-ups
- Professional jobsite conduct

Company Overview

A construction-focused painting partner for Calgary builders and developers.

Harding's Painting is a professional painting contractor proudly serving Calgary and surrounding communities since 1996. Our Calgary New Home Construction Division delivers scalable painting solutions for builders, developers, custom homes, and multi-family projects.

We understand the speed, coordination, scheduling, and quality standards required in today's fast-paced residential construction environment.
